

REMARKS

This amendment is in response to the Notice of Non-Compliance Amendment dated November 7, 2011, which states that the amendment filed on November 1, 2011 is non-compliant because the filed drawings are not properly identified as "Replacement Drawing," and the claims are mis-numbered as the original filed claims included two claims numbered 39, and the new claim 93 should be 94.

In response, Replacement Drawings including FIGs 1-7 have been resubmitted and identified as Replacement Drawings. Applicants respectfully request approval of the Replacement Drawing including FIGs 1-7 and withdrawal of the drawing objection. Further, a corrected Listing of Claims is presented herein where the claims have been renumbered.

Applicants have made a diligent and sincere effort to place this application in condition for immediate allowance and notice to this effect is earnestly solicited.

Respectfully submitted,

By _____
